

Dear Exhibitor:

At the close of last year's show, many exhibitors donated products to a local Los Angeles charity, The Rescue Train, in lieu of having to pay return shipment to their warehouse. Once again this year The Luxury Pet Pavilion is offering you the same opportunity.

The Rescue Train, a 501c3, is a no kill organization in Los Angeles that is dedicated to education and to eliminating animal suffering and euthanasia. To learn more about this charity, visit [www.rescuetrain.org](http://www.rescuetrain.org). Your donation will encourage pet owners to shop and save a life.

On Sunday, March 8<sup>th</sup> at 5:00 p.m., you may drop off any donations at the Luxury Pet Pavilion Step and Repeat booth area at the entry of the exhibit hall for the representatives from the Rescue Train organization to collect.

Once again, thank you very much your consideration and we look forward to seeing you next month.

Regards,

The Luxury Pet Pavilion Team
